RECOMMENDED FALL 2024 COURSES FOR BEGINNING STUDENTS

These courses are appropriate selections for the majority of new students beginning at Wabash in Fall 2023. Most of them have no prerequisites; some require placement test results or permission of the instructor before enrollment. See the **Comments/Requisites** column for special enrollment information. Students with prior college credit or Advanced Placement, International Baccalaureate or other exam credit may qualify for more advanced courses in some departments and should consult with those department chairs and their academic advisors about the most suitable selections for them.
